

Scientific Events where we were involved as the main organizing, co-organizing, partner, sponsoring, supporting, or participant Institution:

1. 15th International Symposium and COST Workshop “Optics & its applications” ([OPTICS-15](#)), 04-08 May 2026, Yerevan, Armenia.
2. [Annual Final Conference 2025](#), 5-10 October, Dilijan, Armenia.
3. Science week in Armenia, [IPR’s booth](#), 2-3 October 2025, Yerevan, Armenia.
4. International Symposium “[Optics and its Applications](#) in [Quantum Technologies](#)” Armenian-German WE-Heraeus Seminar ([OPTICS-QT](#)), Armenian-German WE-Heraeus Seminar, 26-30 September 2025, Yerevan, Armenia (within the framework of IYQ).
5. 9th International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2025](#)), 22-30 September 2025, Yerevan-Ashtarak, Armenia (within the framework of [IYQ](#)).
6. International Conference “[Laser Physics 2025](#)” ([LP2025](#)), 16-19 September 2025, Ashtarak, Armenia (within the framework of [IYQ](#)).
7. XIII International Conference on [Magnetic and Superconducting Materials](#) ([MSM25](#)), September 8-11, 2025, Yerevan, Armenia.
8. 6th “[Physics and we](#)” summer camp, “[Experimental Physics and its Applications](#)”, 05-09 August 2025, Tsakhadzor, Armenia (within the framework of [IYQ](#)).
9. [Annual Final Conference 2024](#), 7-15 December, Yerevan-Tsakhadzor, Armenia.
10. 12th International Symposium “[Optics and its Applications](#)” ([OPTICS12](#)), 15-19 October 2024, Yerevan, Armenia.
11. XVI International Symposium on [Self-propagating High-temperature Synthesis](#) ([SHS-2024](#)), September 9-13, 2024, Yerevan, Armenia.
12. International College on Modern Applications of Optics and Photonics ([MAOP2024](#)), 12-23 August 2024, Yerevan, Armenia.
13. 5th “[Physics and we](#)” summer camp, “[Design and fabrication of a digital spectrometer](#)”, 05-09 August 2024, Tsakhadzor, Armenia.
14. International Day of Light ([IDL 2024](#)), “Light through the Eyes of a Photographer”, 16 May 2024, Ashtarak, Armenia.
15. International Day of Light ([IDL 2024](#)), “IDL at the Institute for Physical Research, NAS of Armenia”, 6 May 2024, Ashtarak, Armenia.
16. «[RQC-IPR 2023](#)» Workshop, 5-6 December 2023, Ashtarak, Armenia & Online.
17. [Pan-Armenian Conference](#) 2023, 17-22 November 2023, Yerevan, Armenia.
18. International [Conference](#) “[Laser Physics 2023](#)” ([LP2023](#)), [12-15](#) September 2023, Ashtarak, Armenia (dedicated to the 100th anniversary of the founder of the Institute for Physical Research of NAS of Armenia, Professor Mikael Ter-Mikaelyan, a Member of the National Academy of Sciences of Armenia & 80th anniversary of the foundation of the National Academy of Sciences of Armenia).
19. 4th “[Physics and we](#)” summer camp, “[Transmission and reception of information through the light](#)”, 05-09 August 2023, Tsakhadzor, Armenia (devoted to the 100th anniversary of Mikael Ter-Mikaelyan, an important contributor to high-energy physics, laser physics, and nonlinear optics).

20. 8th International Advanced School on [Frontiers in Optics & Photonics \(FOP-2023\)](#), 10-21 July 2023, Yerevan-Ashtarak, Armenia (dedicated to the 100th anniversary of the founder of the Institute for Physical Research of NAS of Armenia, Professor Mikael Ter-Mikaelyan, a Member of the National Academy of Sciences of Armenia).
21. 11th International Symposium “[Optics and its Applications](#)” ([OPTICS11](#)), 11-15 July 2023, Yerevan-Ashtarak, Armenia (devoted to the 100th anniversary of Mikael Ter-Mikaelyan, an important contributor to high-energy physics, laser physics, and nonlinear optics).
22. International Day of Light (IDL 2023), “IDL at the Institute for Physical Research, NAS of Armenia”, [8 May](#) and [16 May 2023](#), Ashtarak, Armenia.
23. Science Exhibition at the National Academy of Sciences of Armenia, [23 April 2024](#), Yerevan, Armenia.
24. 1st International Conference "Armenian Perspectives on Modern Oncological Theranostics" with the subtitle "Magnetic Nanomaterials in Biomedicine: Synthesis and Functionalization" ([APRICOT 2023](#)) & 3rd #MaNaCa Summer School, 1-4 March 2023, Yerevan, Armenia.
25. 7th International Advanced School on [Frontiers in Optics & Photonics \(FOP-2022\)](#) & National OPTICA and SPIE Chapters Meeting, 03-10 December 2022, Cali-Armenia, Columbia.
26. World Science Day for Peace and Development at the National Academy of Sciences of Armenia, [10 November 2022](#), Yerevan, Armenia.
27. [Pan-Armenian Conference](#) 2022, 26 September- 1 October 2022, Vanadzor, Armenia.
28. International Conference “[Laser Physics 2022](#)” ([LP2022](#)), [14-16](#) September 2022, Ashtarak, Armenia.
29. [Starmus VI](#): 50 Years on Mars, [Starmus Science Camp](#), “[Laser Physics](#)” booth, 08-11 September 2022, Yerevan, Armenia.
30. 3rd “[Physics and we](#)” summer camp, “[2D Laser Printer](#)”, 06-10 August 2022, Byurakan, Armenia.
31. International Day of Light ([IDL 2022](#)), “[Blinking the Bright Giants](#)”, 14 May 2022, Yerevan, Armenia.
32. 9th International Symposium “Optics and its Applications” ([OPTICS-2022](#)), 15-19 January 2022, Yerevan-Ashtarak, Armenia (dedicated to the 80th birthday of Academician Eduard Kazaryan).
33. School on Optics and Photonics 2021 ([SOP 2021](#)), 04-11 December 2021, Yerevan-Ashtarak, Armenia.
34. International Conference “[Laser Physics 2021](#)” ([LP2021](#)), [21-24](#) September 2021, Ashtarak, Armenia.
35. 4th MaNaCa Training Workshop on “Magnetic Nanohybrids for Cancer Therapy,” 21-22 September 2021, Ashtarak, Armenia.
36. 6th International Advanced School on [Frontiers in Optics & Photonics \(FOP-2021\)](#), 30 August -11 September 2021, Yerevan-Ashtarak, Armenia (dedicated to the memory of IPR Armenia OSA Student Chapter’s first Advisor, Dr. Hrayr Azizbekyan).

37. School dedicated to the [International Day of Light 2021](#), 17-20 May 2021, Yerevan, Armenia.
38. International Day of Light "[The Seven Wonders of Light](#)" ([IDL 2021](#)), 16 May 2021, Yerevan, Armenia.
39. 7th International Symposium "[Optics and its Applications](#)" ([OPTICS-2019](#)), 20-24 September 2019, Yerevan, Armenia.
40. International Conference "[Laser Physics 2019](#)" ([LP2019](#)), 17-20 September 2019, Ashtarak, Armenia.
41. Workshop "Responsible Research and Innovation Course" ([RRIC](#)), 17-19 May 2019, Yenokavan, Armenia.
42. International Conference "[Laser Physics 2018](#)" ([LP2018](#)), 18-21 September 2018, Ashtarak, Armenia.
43. 5th International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2018](#)), 22-27 June 2018, Yerevan-Ashtarak, Armenia.
44. 4th International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2017](#)), 19-25 September 2017, Yerevan-Ashtarak, Armenia.
45. International Conference "[Laser Physics 2017](#)" ([LP2017](#)), 19-22 September 2017, Ashtarak, Armenia.
46. [4th International](#) Symposium "[Optics and its Applications](#)" 2016 ([OPTICS-2016](#)), [25-27](#) July 2016, Yerevan-Ashtarak, Armenia.
47. 3rd International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2016](#)), 29 February – 12 March 2017, Yerevan-Ashtarak, Armenia.
48. International Conference "[Laser Physics 2015](#)" ([LP2015](#)), 06-10 September 2015, Ashtarak, Armenia.
49. [QuantArm 2014](#): International [Conference and Workshop](#) Quanta and Matter: Through Physics to Future Emerging Technologies, 22–26 September 2014, Armenia.
50. [3rd International](#) Symposium "[Optics and its Applications](#)" ([OPTICS-2015](#)), [01-05](#) October 2015, Yerevan-Ashtarak, Armenia.
51. 2nd International Symposium "[Optics and its Applications](#)" ([OPTICS-2014](#)), [01-05](#) September 2014, Yerevan-Ashtarak, Armenia.
52. 2nd International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2014](#)), 30 August - 5 September 2014, Yerevan-Ashtarak, Armenia.
53. International Conference "Laser Physics 2013", 08-11 October 2013, Ashtarak, Armenia.
54. International Advanced School on [Frontiers in Optics & Photonics](#) ([FOP-2012](#)), 02-07 July, Yerevan-Ashtarak, Armenia.
55. International Symposium "[Optics and its Applications](#)" ([OPTICS-2011](#)), [05-09](#) September 2011, Yerevan-Ashtarak, Armenia.
